Complementary and Alternative Medicine (CAM) discount program

CAM discount services are provided by The American WholeHealth (AWH) network, which includes more than 25,000 practitioners.

You do not need a referral to visit a participating massage therapist, acupuncturist, or chiropractor, since the CAM program is not part of your health coverage. However, certain CAM services are covered by some Humana health plans, so be sure to use your insured benefits whenever possible. You may visit AWH network providers as often as you like, although we encourage you to let your primary care physician know about any CAM treatment you are considering.

To access CAM services, first select a provider through the health and wellness link of the Savings Center section of MyHumana on **Humana.com** or call the Customer Service number printed on your Humana member ID card. Then, at the time of service, simply present the Humana discount card shown on the front of the page to receive the specified discount. It's that easy!

Rx4 Pharmacy Discount Program

Save an average discount of 20 percent or more on oral prescription drugs not covered by your Rx4 benefit. Humana's Rx4 Pharmacy Discount Program provides discounts on oral prescription drugs for: weight loss, impotence, hair loss, smoking cessation and more.
