

# TRANSCRIPT REQUEST INFORMATION

Beginning Monday, February 25, 2008, the University of Florida will begin charging for official transcripts. The costs will be \$6.00 per transcript for current students and \$12.00 per transcript for students who are not enrolled.

To order a transcript, go to: [www.ufl.edu](http://www.ufl.edu), click on ISIS, open "my record," select "transcripts" and follow the prompts. Online orders are paid through a secure credit card transaction using VISA, MasterCard, American Express, Diner's Club, or a debit card affiliated with a major credit card company. A GatorLink account is necessary to complete the transaction.

Instructions will help you complete all the necessary steps even if you do not have a GatorLink account.

Current and former students with valid GatorLink accounts can view and print a free unofficial copy of a transcript from the ISIS Web site.
